Best Practices

Practices -I

●Title of the practice : Tree Plantation Programme

Objectives

- To ensure more plantation of different mirror cleaner ornamental plants and useful plants and trees.
- To include calculated of plants and environment and students.

The Context:

- The main objectives of tree plantation programme are
- To save and protect the environment by tree plantation
- To make students to think regarding plantation work
- To inspire the students regarding the values of tree and plants
- To maintain of the cycle of the environment.
- To increase the involvement of students and staff in the green Earth movement.

The practice:

Trees, herbs and climbers are the carriers of rain and could that's why we should plant more and more trees only nature has capacity to produce more and more Oxygen and it is only possible in our surroundings are full of trees and plants. That's why we need to implement and involve students in such programs, then only our new generation will become more and more sincere and active towards tree plantation tree reduce soil erosion because they bind the soul through

their roots and help in empowering the fertility of the soil. Rich soil helps to transfer nutrition's to food which contributes to human health. If our program of tree plantation get successful, it is sure that it will help to balance the nature and the life of the people will be happy and prosperous. So, we should plant more and more trees and protect them for the future of new generation

Evidence of success:

We undertake a tree plantation programme throughout the year. In this program principal of our college, all HoD's, faculty members, NSS volunteers, and students are actively involved. In the academic year 2019- 20, we have planted about 255 different plants of different species in Rajmata Jijau Udyan. Presently they are very good condition and showing promising growth.

Practice-II

●Title of practice : Empowerment of Women

Objectives:

- To empower physical and emotional strength among girls
- To make aware the girl students about their civic rights.
- To develop qualities among girls students like the sense of ethics morality culture and social responsibilities.
- To develop self- confidence and self -esteem among girls.

The context:

The welfare of society is not possible without improving the condition of the women. We cannot remove injustice, gender bias and inequalities without women empowerment. In order to enjoy rights, freedom, security women need

their empowerment. Education is a powerful tool through which we can empower women against exploitation and harassment.

The practice:

Our college has large number of girl students. We undertake different empowerment programs for the girls students throughout the year. Some of those are as follows

Women's Cell: We undertake different women oriented programs through our women's Cell such as hygiene campaign, social awareness about gender discrimination

Felicitation of successful women : Special program was organized by our college in order to felicitate successful women so that our girl students should take inspiration from them.

Self-defense workshop for women: Self defense workshop was organized specially for girl students for develop physical strength for self-protection.

Evidence of Success:

These activities have a very positive effect on the girl students. Programs such as a Self-defense workshop, hygiene campaign, social awareness about gender discrimination, Felicitation of successful women etc. help in development personal, social, physical, skills needed for girl students. Our strength of girl students have increased.
