E-Governance

Policy and Procedure

Introduction:

The introduction of Information and Communication Technology in the field of education has become a boon to academic institutions as it helps maintain the quality of education and streamline the governance system. The concept of effective governance is the ability to confront the new changes and adapt to the needs of the present situation. Having an e- governance system will help in integrating all the stakeholders of the institution and to automate various functionalities of the institution.

The New Education Policy (NEP 2020) also emphasized the use of ICT in administration, teaching and learning. In accordance with this, Mahatma Phule Mahavidyalaya, Ahmedpur has a vision to provide its services to all stakeholders through an efficient e-Governance. As per the Information Technology Act, 2000 of Government of India, it is mandated that public services are to be delivered electronically wherever and to the extent possible. The college supports the implementation of this policy by the practices related to use of e-Governance services.

Scope:

The College implements e-governance in all aspects of functioning like library, accounts, admissions, administration, teaching-learning, etc. The policy is designed and framed to make each and every function transparent and accountable. It relieves from issues with availability of manpower in administration due to state and central government policies in recruitments. It will
